

MEETING OF DUNDRUM AREA COMMITTEE

27 March 2023

Cycle track along Enniskerry Road

Motion: Councillor O. O'Connor

That the Chief Executive begins to actively pursue and seek National Transport Authority (NTA) funding to extend a cycle track from the proposed Stepside village/Cruagh Greenway link to tie in with the new Glenamuck District Distributor Road, thereby linking up the communities around Stepside and Clay Farm with the DLR all-weather pitch, De La Salle Palmerston and other social infrastructure in the area.

Report:

The National Transport Authority (NTA) allocation for 2023 has been finalized and the Active Travel team are progressing the projects that have been funded. If this project is to be progressed this year the NTA may allow a reallocation from an existing funded project (which would be scaled back or suspended). Alternatively, we can include it as part of the grant application process for 2024.

Owner: Conor Geraghty, Senior Engineer, Active Travel, Infrastructure and Climate Change.
